DIVERSITY
SCHOLARSHIP

2013
PROGRAM
GUIDELINES

Purpose of the Scholarships

The general purpose of the Fraser Stryker Diversity Scholarship Program is to provide (a) financial assistance in the form of college tuition and (b) paid student internships to students of African-American, Asian, Latino, and Native-American origins from low income families in the Omaha metro area who are interested in pursuing a career in law.

General Description of the Scholarships

The scholarships are granted to the recipients, who will be designated as "Fraser Stryker Scholars" ("Scholars"), for the purpose of defraying the costs associated with their education. Specifically, the scholarships are to be used by the Scholars solely for their tuition, fees, books, supplies, and equipment incurred by the Scholars in the direct furtherance of their education. Each scholarship will be in the amount of \$2,500 per academic year (or, to the extent such expenses are less, the lesser amount), subject to renewal at the discretion of the Fraser Stryker Diversity Scholarship Committee. The scholarship funds will be made available to the Scholar or to the educational institution on behalf of the Scholar, depending on the educational institution's policy respecting the form and procedure for payment. The scholarships will be available without regard to whether the Scholar has received additional scholarship

funds. In addition to receiving the scholarship award, the Scholar is eligible to participate in a paid summer internship at Fraser Stryker.

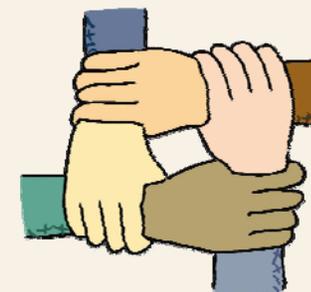

Eligible Recipients

Eligible recipients of the scholarships will include the following:
