**Mary M. Carnazzo is a corporate transactional attorney who assists various types of business clients in corporate governance, commercial transactions, mergers and acquisitions (M&A), and compliance matters.**

Mary is dedicated to becoming a trusted advisor to clients, providing thoughtful, effective, and reliable guidance to address a client's legal concerns. With over 30 years of legal practice experience, Mary has a unique and broad depth of knowledge to understand and assist corporate clients in addressing their legal and risk management matters.

Mary's extensive experience includes:

- 19+ years as in-house counsel for a large construction and engineering company in North America;
- Serving in a general counsel capacity for a software company and providing legal support for construction project pursuits and operations; and
- Assisting clients with the legal considerations that arise with international expansion.
